Core Expertise

Miraj Design Ltd is highly focused on:

1. High-quality doors and installations
2. Durable door frames
3. Secure lock systems
4. Gypsum and interior finishing works

MISSION

To provide reliable, high-quality interior solutions that combine security, functionality, and modern design.

VISION

To be a trusted leader in doors and interior finishing solutions, known for excellence, durability, and customer satisfaction.

Why Choose Us

1. Skilled and experienced workmanship
2. High-quality materials and finishes
3. Strong focus on security and durability
4. Timely project delivery
5. Affordable and flexible solutions
6. Customer-centered approach

Products & Services

Miraj Design Ltd is a professional company specializing in doors, gypsum works, and general interior design solutions. We deliver modern, functional, and high-quality finishing services for residential and commercial spaces.

While we provide a wide range of interior solutions, our core strength and specialization lies in the supply, installation, and fitting of doors, door frames, and lock systems. We are committed to delivering durable and secure solutions that enhance both safety and aesthetics.

We offer a variety of interior design and finishing services, including:

1. Supply and installation of doors
2. Door frames fabrication and fitting
3. Lock systems installation and security fittings
4. Gypsum ceiling and partitioning works
5. General interior design and finishing
6. Renovation and space improvement solutions
